

## How to get eBooks on to your Kindle

\*These instructions assume that you have already registered your Kindle and have set up an Amazon account.

\* If you are using the **Kindle Fire** you can do this directly from your device by tapping on the 'Web' button and then following the instructions below. If you are using older Kindle devices you must follow these instructions from a computer.

**IMPORTANT:** In order to complete wireless delivery your Kindle **MUST** connect to Wi-Fi. Books will not transfer via a 3G connection. This means you must either have Wi-Fi in your home or come to the library and use our Wi- Fi to complete the delivery. To make sure your Kindle is connected to Wi-Fi look for  in the top right hand corner of your Kindle. If you do not have a Wi-Fi connection, you can also transfer your book to your Kindle via a USB cord, which comes with the Kindle.

1. Go to our website at [www.boernelibrary.org](http://www.boernelibrary.org)
2. Click on Digital Services, and then click on Lone Star Digital Library

## Digital Services

The Patrick Heath Public Library offers two digital services to patrons.

Our [Lone Star Digital Library](#), powered by OverDrive, offers eBooks, audiobooks, streaming video and music.

3. Click Login to My Digital Account in the top right hand corner of the screen

A screenshot of the Lone Star Digital Library website. The top navigation bar is dark blue with the text "Discover the Next Generation experience." and "Member Libraries" on the left, and "Sign In" on the right. Below this is a header with the library name and navigation icons for Menu, Account, Help, and a search bar. The main content area is divided into six columns of categories: eBook Fiction, eBook Nonfiction, Audiobook Fiction, Audiobook Nonfiction, Kids &amp; Teens, and Featured Collections. Each column lists sub-categories and a "View more..." link. At the bottom, there is a "New eBooks" section with five book covers: "The Unsung Hero" by Suzanne Brockmann, "All This Talk of Love", "Unnatural Habits", and "The Dinner" by Herman.

4. Under Library, click on the drop down arrow and select Boerne Public Library and click on Go.

5. Enter your library card number (found on the back of your library card) and last name (or password, if you've created one), then click Sign In.

6. Begin browsing eBook collection, by choosing eBook Fiction or eBook Nonfiction OR type in a specific title, author, or keyword type in the search box located on the top.

Discover the Next Generation experience.

The main content area includes the title, author 'C.S. Lewis', and illustrator 'Pauline Baynes'. Below this is a list of bullet points: 'Digital library books require an active Wi-Fi connection for wireless delivery to a Kindle device. Library books will not be delivered via your Kindle's 3G connection.', 'Kindle automatically backs up all of your notes and highlights. If you choose to purchase the book at a later date from the Kindle Store or check it out again, all your notes and highlights will be preserved.', and 'Expiration Date: May 23, 2013'. There is a 'Return Book' button and a note: 'You may end your Library Loan early by visiting Manage Your Kindle and choosing "Return This Book" or return the book now by clicking below.' Below this is a star rating of 4.5 stars from 235 customer reviews. At the bottom, there are three bullet points: 'Length: 256 pages', 'Don't have a Kindle? Get your Kindle here.', and 'Whispersync for Voice: Ready'. On the right side, there is a green button labeled 'Get library book' with a 'How does this work?' link below it. Below the button is a section titled 'Read books on your computer or other mobile devices with our FREE Kindle Reading Apps' with an image of a laptop, tablet, and smartphone.

13. Sign in to your Amazon account.

14. Select a device to deliver your title to by using the drop-down arrow. Generally this will just be your Kindle (e.g. Joe's Kindle). However, if you have an iPad or smartphone with the Kindle App you could also choose to send your book to these devices as well. Click 'Continue.'

15. You're done! The next time your device connects to Wi-Fi your title should appear in your device.

### Thanks, PHPL!

Your digital library book will be delivered to PHPL's Kindle. Your Kindle will download **The Horse and His Boy: The Chronicles of Narnia** the next time it connects to Wi-Fi. If you would like to manage your digital titles, go to [Manage Your Kindle](#).

To transfer to your device via USB, click **Download now** ([Learn more](#)).

You can also send your book to other registered devices at [Manage Your Kindle](#) or read on other devices using our [Free Kindle Reading Apps](#).

28. To begin reading you must disconnect your Kindle from your computer. Eject your device safely by double clicking on the green arrow in your system tray located on the bottom right corner. Double Click on 'USB Mass Storage Device' and select the name of your device and click on 'OK.' Happy reading!

## FAQs

### **I don't have a Wi-Fi connection. Can I still get Kindle books?**

Of course! If an active Wi-Fi connection is not available you can still get e-books on to your Kindle by transferring them via a USB cord. The last part of these instructions includes information about transferring via USB. Or you can bring your device into the library and it will automatically download through our wireless connection.

### **Can I get Kindle books for my iPad or smartphone?**

Yes. Download the Kindle App onto your device. Follow these instructions but instead of delivering the book to your Kindle e-reader deliver your book to your iPad. Remember that Kindle books that require a USB transfer cannot be transferred to your iPad or smartphone. However, most titles that are available as Kindle books are also available as an EPUB e-book. By downloading the Overdrive App onto your iPad or smartphone, you can read titles in the EPUB format.

### **I don't think a USB cord came with my Kindle. What now?**

Unless you have a Kindle Fire, your Kindle did come with a USB cord. Some Kindles provide a USB cord that plugs into a power adapter. Just pull the detachable USB cord out of the adapter.

### **Can I get Kindle books that transfer via USB only on to my Kindle Fire?**

Yes, but a USB cord is not included with the device. You must purchase a USB cord separately.

### **Why does Amazon require USB transfer of e-books through Overdrive?**

From Amazon's website: "Due to publisher restrictions, some titles may not be wirelessly delivered to your device and instead require USB transfer from your computer to your device. These restricted titles also may not be accessed on Kindle reading applications." This means that PHPL does not have any control over which titles are available for wireless delivery and which require USB transfer. Certain publishers are in the process of restricting the availability of their titles and this affects the way e-books are downloaded.

### **Can I come to the library to transfer e-books via USB to my Kindle?**

No, we do not provide computers for this purpose. Of course you may use our wireless connection for wireless delivery of e-books.

### **Can I renew my e-books?**

No, it is not possible to renew e-books. After your lending period is over your book will be automatically returned. If there is no one on the waiting list for the e-book then you may check it out again.

### **I finished reading a book but it still shows up in my library on my Kindle. How do I delete it?**

Depending on which Kindle you have there are different ways to do this. If you have a Kindle with a keyboard, highlight the book you want to delete. Press the left side of the five way controller and 'remove from device' will show up on the screen. Press the center of the five-way controller to delete the book from you device. If you have a Kindle Touch or Kindle Fire, hold your finger on the book you want to delete until a screen pops up and then select 'remove from device.'

### **Can I see a list of books that I have read on my Kindle?**

Yes. Go to Manage Your Kindle on Amazon's website to see a list of all the books you have read on your Kindle.

### **How do I return an e-book?**

E-books will be automatically returned after the lending period is over. This means no late fees for e-books ever! However, if you want to return an e-book early you can go to Manage Your Content and Devices on Amazon's website. Simply sign in to your Amazon account and click Manage Your Content and Devices from the dropdown box underneath the Your Account section. Click on the Actions box next to the book you want to return early and choose 'return this book.'
