

Boerne Fire Marshal's Office

Instructions for Permit Application

This application applies only to Fire Alarm, Fire Sprinkler, Type I Fire Suppression Hood Systems, Type I, II, and III Standpipe Systems, and Above and Under Ground Storage Tanks. All applications shall be turned in at 402 East Blanco at the Code Enforcement Office. All plans submitted shall meet the requirements listed in the Permit Fees or Plan Requirements located on the Fire Marshal's website. Any questions may be directed to the Fire Marshal's office at 830-249-9511.

Section I. Please indicate what type of device is going to be installed by checking the appropriate box.

Section II. Please fill in the physical address of the job site where the work is being done. No P.O. Boxes.

Section III. Please fill in the name of the Contractor or Company who will be doing the work. Include a cell phone or office number where they may be contacted at the job site. Also include the License or Certification number of the person or company the job is under as well as the expiration date.

Section IV. Check the appropriate box. Modification refers to replacement of old equipment or adding to an existing system.

Section V. Please indicate the number of devices to be installed on the appropriate blanks.

Please sign and date the application
