This program is offered for a limited time until June 30, 2017 and while funding is available.

MATERIAL THAT WILL NOT BE COLLECTED: We do not collect ammunition, explosives, asbestos, tires, or any materials in unlabeled or leaking containers. For further information about proper disposal methods for non-acceptable items, commercial chemicals or hazardous materials in containers larger than five gallons in size, please contact the Waste Management's At Your Door Special Collection program. All Materials must be in sealed, labeled containers. There maybe additional, unacceptable materials based on local or state laws.
